

FREQUENTLY ASKED QUESTIONS

Q: What is TR3ATS Guest House Franchise Partnership Program (TGH-FPP)?

A: TGH-FPP is an investment opportunity program of TR3ATS Guest House (TGH). We are looking for Partner Investors. Individuals or organizations who are interested in venturing into hospitality business and who has a passion of providing good value to customers and great business systems to the organization. A great opportunity to individuals who wants to be in business with ready and structured systems and those who are looking for a long term conservative business investment.

Q: What's in it for our Partner Investor?

A: You will be a co-owner of the branch you are investing. You will be the investor while Magenta Ventures and Dev't. Corp. (MVDC) will serve as your industrial partner. MVDC will manage and decide for the hostel to guarantee its smooth operations. The best person to run your machine is the inventor who manufactured it!

Q: What's more to it?

A: The branch can use all of TGH Branding, systems for the use of its operations from property management, accounting, hr, website and online booking, marketing, etc. You may also use the facilities of TGH trade and channel partners. Plus a fully functional hostel including its renovations, equipments, fixtures, stocks and 1 month operational expense fund.

Q: How much would it cost to invest?

A: Investment cost starts roughly from Php 2M to Php 3M depending on the size of the hostel. This will be used as a capital expense fund of the new branch. It will be used for the branch's business rights regulatory fees, rentals, renovations, equipments, appliances, fixtures, furnitures, stocks, supplies, etc.

Q: Where can I inquire more details about this program?

A: Details of TGH-FPP is available online by visiting
